Re: 1986 Annual Report, Red Rock Mine, ACT/037/050, San Juan County, Utah

Enclosed is the annual report form that must be completed and returned to the Division by March 31, 1987. This report should provide details of the mining and reclamation activities conducted from January, 1984 through December, 1986. An updated map of the operation should also be included if there has been significant changes at the mine site since the fall of 1983.

Should you have any questions or need additional information, please contact me or Frank Filas of my staff.

Sincerely,
